Chairmans report

EC thanked all club members and committee members and helpers for their continued support. Howgill harriers enjoyed a successful 2016; the beginner Hobbler sessions had worked well both at KS and Sedbergh. The timed 5KM set up recently on Saturday mornings at Sedbergh has been well supported and is still going strong. The Sedbergh sports was a particular highlight as it was both a British and an English Championship Race which in spite of awful weather, went very smoothly. Other races (including the championship) were well supported, Ravenstonedale 10km was fully booked with a waiting list.
